The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Issuer shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. Registration of each Bond may be transferred in the Registration Books only upon presentation and surrender of such Bond to the Paying Agent/Registrar for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing (i) the assignment of the Bond, or any portion thereof in any integral multiple of \$5,000, to the assignee or assignees thereof, and (ii) the right of such assignee or assignees to have the Bond or any such portion thereof registered in the name of such assignee or assignees. Upon the assignment and transfer of any Bond or any portion thereof, a new substitute Bond or Bonds shall be issued in conversion and exchange therefor in the manner herein provided. The Initial Bond, to the extent of the unpaid or unredeemed principal balance thereof, may be assigned and transferred by the initial registered owner thereof once only, and to

one or more assignees designated in writing by the initial registered owner thereof. All Bonds issued and delivered in conversion of and exchange for the Initial Bond shall be in any denomination or denominations of any integral multiple of \$5,000 (subject to the requirement hereinafter stated that each substitute Bond shall have a single stated principal maturity date), shall be in the form prescribed in the FORM OF SUBSTITUTE BOND set forth in this Resolution, and shall have the characteristics, and may be assigned, transferred, and converted as hereinafter provided. If the Initial Bond or any portion thereof is assigned and transferred or converted the Initial Bond must be surrendered to the Paying Agent/Registrar for cancellation, and each Bond issued in exchange for any portion of the Initial Bond shall have a single stated principal maturity date, and shall not be payable in installments; and each such Bond shall have a principal maturity date corresponding to the due date of the installment of principal or portion thereof for which the substitute Bond is being exchanged; and each such Bond shall bear interest at the single rate applicable to and borne by such installment of principal or portion thereof for which it is being exchanged. If only a portion of the Initial Bond is assigned and transferred, there shall be delivered to and registered in the name of the initial registered owner substitute Bonds in exchange for the unassigned balance of the Initial Bond in the same manner as if the initial registered owner were the assignee thereof. If any Bond or portion thereof other than the Initial Bond is assigned and transferred or converted each Bond issued in exchange therefor shall have the same principal maturity date and bear interest at the same rate as the Bond for which it is exchanged. A form of assignment shall be printed or endorsed on each Bond, excepting the Initial Bond, which shall be executed by the registered owner or its duly authorized attorney or representative to evidence an assignment thereof. Upon surrender of any Bonds or any portion or portions thereof for transfer of registration, an authorized representative of the Paying Agent/Registrar shall make such transfer in the Registration Books, and shall deliver a new fully registered substitute Bond or Bonds, having the characteristics herein described, payable to such assignee or assignees (which then will be the registered owner or owners of such new Bond or Bonds), or to the previous registered owner in case only a portion of a Bond is being assigned and transferred, all in conversion of and exchange for said assigned Bond or Bonds or any portion or portions thereof, in the same form and manner, and with the same effect, as provided in Section 6(d), below, for the conversion and exchange of Bonds by any registered owner of a Bond. The Issuer shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such transfer and delivery of a substitute Bond or Bonds, but the one requesting such transfer shall pay any taxes or other governmental charges required to be paid with respect thereto. The Paying Agent/Registrar shall not be required to make transfers of registration of any Bond or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or, (ii) with respect to any Bond or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date.

(b) Ownership of Bonds. The entity in whose name any Bond shall be registered in the Registration Books at any time shall be deemed and treated as the absolute owner thereof for all purposes of this Resolution, whether or not such Bond shall be overdue, and the Issuer and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any such Bond shall be made only to such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(c) Payment of Bonds and Interest. The Issuer hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, and to act as its agent to convert and exchange or replace Bonds, all as provided in this Resolution. The Paying Agent/Registrar shall keep proper records of all payments made by the Issuer and the Paying Agent/Registrar with respect to the Bonds, and of all conversions and exchanges of Bonds, and all replacements of Bonds, as provided in this Resolution.

(d) Conversion and Exchange or Replacement; Authentication. Each Bond issued and delivered pursuant to this Resolution, to the extent of the unpaid or unredeemed principal balance or principal amount thereof, may, upon surrender of such Bond at the principal corporate trust office of the Paying Agent/Registrar, together with a written request therefor duly executed by the registered owner or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, may, at the option of the registered owner or such assignee or assignees, as appropriate, be converted into and exchanged for fully registered bonds, without interest coupons, in the form prescribed in the FORM OF SUBSTITUTE BOND set forth in this Resolution, in the denomination of \$5,000, or any integral multiple of \$5,000 (subject to the requirement hereinafter stated that each substitute Bond shall have a single stated maturity date), as requested in writing by such registered owner or such assignee or assignees, in an aggregate principal amount equal to the unpaid or unredeemed principal balance or principal amount of any Bond or Bonds so surrendered, and payable to the appropriate registered owner, assignee, or assignees, as the case may be. If the Initial Bond is assigned and transferred or converted each substitute Bond issued in exchange for any portion of the Initial Bond shall have a single stated principal maturity date, and shall not be payable in installments; and each such Bond shall have a principal maturity date corresponding to the due date of the installment of principal or portion thereof for which the substitute Bond is being exchanged; and each such Bond shall bear interest at the single rate applicable to and borne by such installment of principal or portion thereof for which it is being exchanged. If any Bond or portion thereof (other than the Initial Bond) is assigned and transferred or converted, each Bond issued in exchange therefor shall have the same principal maturity date and bear interest at the same rate as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall convert and exchange or replace Bonds as provided herein, and each fully registered bond delivered in conversion of and exchange for or replacement of any Bond or portion thereof as permitted or required by any provision of this Resolution shall constitute one of the Bonds for all purposes of this Resolution, and may again be converted and exchanged or replaced. It is specifically provided that any Bond authenticated in conversion of and exchange for or replacement of another Bond on or prior to the first scheduled Record Date for the Initial Bond shall bear interest from the date of the Initial Bond, but each substitute Bond so authenticated after such first scheduled Record Date shall bear interest from the interest payment date next preceding the date on which such substitute Bond was so authenticated, unless such Bond is authenticated after any Record Date but on or before the next following interest payment date, in which case it shall bear interest from such next following interest payment date; provided, however, that if at the time of delivery of any substitute Bond the interest on the Bond for which it is being exchanged is due but has not been paid, then such Bond shall bear interest from the date to which such interest has been paid in full. (g) Substitute Paying Agent/Registrar. The Issuer covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the Issuer will provide a competent and legally qualified bank, trust company, financial institution, or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Resolution, and that the Paying Agent/Registrar will be one entity. The Issuer reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 120 days written notice to the Paying Agent/Registrar, to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Issuer covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Resolution. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the Issuer. Upon any change in the Paying Agent/Registrar, the Issuer promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Resolution, and a certified copy of this Resolution shall be delivered to each Paying Agent/Registrar.

Section 7. FORM OF SUBSTITUTE BONDS. The form of all Bonds issued in conversion and exchange or replacement of any other Bond or portion thereof, including the form of Paying Agent/Registrar's Certificate to be printed on each of such Bonds, and the Form of Assignment to be printed on each of the Bonds, shall be, respectively, substantially as follows, with such appropriate variations, omissions, or insertions as are permitted or required by this Resolution.

- (a) the Revenue Fund;
- (b) the Interest and Sinking Fund (which shall be kept and maintained at The Bank of New York Mellon Trust Company, National Association, Dallas, Texas); and
- (c) the Reserve Fund (which shall be kept and maintained at The Bank of New York Mellon Trust Company, National Association, Dallas, Texas).

Section 10. REVENUE FUND. All Gross Revenues shall be credited as received by the Issuer to the Revenue Fund, and shall be deposited from the Revenue Fund into the other Funds created by this Resolution, in the manner and amounts hereinafter provided, and each of such Funds shall have priority as to such deposits in the order in which they are treated in the following Sections.

Section 11. INTEREST AND SINKING FUND. There shall be deposited into the Interest and Sinking Fund the following:

- (a) immediately after the delivery of the Initial Bond all accrued interest, if any, from the proceeds from the sale of the Initial Bond shall be deposited to the credit of the Interest and Sinking Fund.
- (b) on or before the last day of the month preceding each interest payment date for the Bonds, an amount equal to the interest and/or principal and interest coming due on all Parity Bonds on the next succeeding interest payment date, including any principal required to be redeemed prior to maturity on such date.

The Interest and Sinking Fund shall be used solely to pay the principal of and interest on the Parity Bonds as such principal matures and such interest comes due.

Section 12. RESERVE FUND. Out of proceeds of the Bonds, there shall be deposited to the credit of the Reserve Fund an amount, if any, sufficient to result in there being on deposit in the Reserve Fund, money and/or investments at least equal in market value to the average annual principal and interest requirements for all the Parity Bonds which will be outstanding after the delivery of the Initial Bond (the "Reserve Required Amount"). No deposits shall be made into the Reserve Fund as long as the money and investments in the Reserve Fund are at least equal in market value to the Reserve Required Amount; but if and whenever the market value of money and investments in the Reserve Fund is reduced below said Reserve Required Amount because of a decrease in market value of investments, then the Issuer shall require the Contracting Parties to increase their payments under the Contract as soon as practicable, and in any event within one year, in an amount sufficient to restore the Reserve Fund to the Reserve Required Amount; and in the event the Reserve Fund is used to pay the principal of or interest on any Parity Bonds because of insufficient amounts being available in the Interest and Sinking Fund, then the Issuer

shall require the Contracting Parties to increase their payments under the Contract in an amount sufficient to restore the Reserve Fund to the Reserve Required Amount, and the Issuer shall deposit, in the Reserve Fund, in approximately equal periodic payments, not less than annual, such amounts as are required to restore the Reserve Fund to the Reserve Required Amount within five years from any date of the use of the Reserve Fund to pay such principal or interest. The Reserve Fund shall be used solely to pay the principal of or interest on the Parity Bonds at any time when there is not sufficient money available in the Interest and Sinking Fund for such purpose, or finally to pay and retire the last of the outstanding Parity Bonds.

Section 13. INVESTMENTS. Money in any Fund maintained pursuant to this Resolution may, at the option of the Issuer, be placed in secured time deposits or certificates of deposit secured by obligations of the type hereinafter described, or be invested in direct obligations of the United States of America, obligations guaranteed or insured by the United States of America, obligations guaranteed or insured by the United States of America, which, in the opinion of the Attorney General of the United States, are backed by its full faith and credit or represent its general obligations, or invested in indirect obligations of the United States of America, including, but not limited to, evidences of indebtedness issued, insured, or guaranteed by such governmental agencies as the Federal Land Banks, Federal Intermediate Credit Banks, Banks for Cooperatives, Federal Home Loan Banks, Government National Mortgage Association, United States Postal Service, Farmers Home Administration, Federal Home Loan Mortgage Association, Small Business Administration, Federal Housing Association, or Participation Certificates in the Federal Assets Financing Trust. Such deposits and investments shall be made consistent with the estimated requirements of such Funds, and any obligation in which money is so invested shall be kept and held at the bank at which the Fund is maintained for the benefit of the owners of the Parity Bonds, and shall be promptly sold and the proceeds of sale applied to the making of all payments required to be made from the Fund from which the investment was made. All earnings from the deposit or investment of any such Fund shall be credited to such Fund. It is provided, however, that when the Reserve Fund contains an amount in excess of the Required Reserve Amount, such excess shall be deposited into the Interest and Sinking Fund, and thereby reduce the amounts which otherwise would be required to be deposited into the Interest and Sinking Fund, with the result that the Contracting Parties' semiannual principal and/or interest payments under the Contract shall be reduced accordingly.

Section 14. DEFICIENCIES IN FUNDS. If the Issuer should fail at any time to deposit into any Fund maintained pursuant to this Resolution the full amounts required, amounts equivalent to such deficiencies shall be set apart and paid into said Funds from the first available Gross Revenues, and such payments shall be in addition to the amounts otherwise required to be deposited into said Funds.

Section 15. ISSUER'S EXPENSES. The Gross Revenues in excess of those necessary to maintain the Funds as required in this Resolution, or as hereafter may be required in connection with the issuance of additional parity revenue bonds, shall be used by the Issuer to pay its expenses attributable to the Parity Bonds and the Interceptor System, as described in the Contract and acquired and constructed in accordance with the Contract, including the fees and charges of the Paying Agent/Registrar, and all costs and expenses of operating and maintaining the

Interceptor System.

Section 16. SECURITY FOR FUNDS. All Funds maintained pursuant to this Resolution shall be secured in the manner and to the fullest extent permitted or required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by this Resolution.

Section 17. ADDITIONAL BONDS. The Issuer reserves the right to issue additional parity revenue bonds only for the purpose of refunding any Parity Bonds and/or for the purpose of completing the acquisition and construction of the "Interceptor System", as described in the Contract, and/or to improve and/or extend the Interceptor System. Such additional parity revenue bonds shall be considered, constitute, and be defined as "Bonds" and "Parity Bonds", respectively, for all purposes of the Contract and this Resolution, and when issued and delivered, they shall be payable from and secured by a first lien on and pledge of the Gross Revenues, in the same manner and to the same extent as the other Parity Bonds; and all of the Parity Bonds shall in all respects be on a parity and of equal dignity. The additional parity revenue bonds may be issued in one or more installments or series, provided, however, that no such installment or series shall be issued unless:

(a) a certificate is executed by the President and Secretary of the Board of Directors of the Issuer to the effect that no default exists in connection with any of the covenants or requirements of the resolution or resolutions authorizing the issuance of all then outstanding Parity Bonds, and that the Interest and Sinking Fund and the Reserve Fund each contains the amount then required to be on deposit therein;

(b) the resolution authorizing the issuance of such installment or series of bonds shall provide for the payment of the principal of and interest on such bonds, and that the aggregate amount to be accumulated and maintained in the Reserve Fund shall, if and to the extent necessary, be increased (within five years from the date of such installment or series of bonds, and in approximately equal deposits, not less than annual) to an aggregate amount at least equal to the average annual principal and interest requirements for all Parity Bonds to be outstanding after the issuance and delivery of the installment or series of Parity Bonds then proposed to be issued;

(c) all calculations of average annual principal and interest requirements made pursuant to this Section are to be made as of and from the date of the installment or series of Parity Bonds then proposed to be issued.

Section 18. ACCOUNTS AND RECORDS. The Issuer shall keep proper books of records and accounts, separate from all other records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the Contract. The Issuer shall have said books audited once each Issuer fiscal year by a Certified Public Accountant.

Section 19. ACCOUNTING REPORTS. Within ninety days after the close of each Issuer fiscal year the Issuer will furnish, without cost, to the original purchasers of the Parity

Bonds, and to any owner of any outstanding Parity Bond who may so request, a signed or certified copy of a report by a Certified Public Accountant covering the next preceding fiscal year, showing the following information:

- (a) A detailed statement of all Gross Revenues;
- (b) Balance sheet as of the end of said fiscal year.

Section 20. INSPECTION. Any owner or owners of any Parity Bonds shall have the right at all reasonable times to inspect all records, accounts, and data of the Issuer relating to the Contract and the Funds maintained pursuant to this Resolution.

Section 21. SPECIAL COVENANTS. The Issuer further covenants as follows:

(a) that other than for the payment of the Parity Bonds the Gross Revenues have not in any manner been pledged to the payment of any debt or obligation of the Issuer.

(b) that while any of the Parity Bonds are outstanding, the Issuer will not, with the exception of the additional parity revenue bonds expressly permitted by this Resolution to be issued, additionally encumber the Gross Revenues.

(c) that the Issuer will carry out all of its obligations under the Contract; and when or if necessary will promptly enforce and cause the Contracting Parties to carry out all of their obligations under the Contract, for the benefit of the Issuer and the owners of the Parity Bonds, by all legal and equitable means, including the use of mandamus proceedings against the Contracting Parties.

Section 22. PARITY BONDS ARE SPECIAL OBLIGATIONS. The Parity Bonds shall be special obligations of the Issuer payable solely from the pledged Gross Revenues, and the registered owner or owners of the Parity Bonds shall never have the right to demand payment thereof out of funds raised or to be raised by the levy of taxes by the Issuer.

Section 23. AMENDMENT OF RESOLUTION. (a) The owners of Parity Bonds aggregating 51% in principal amount of the aggregate principal amount of then outstanding Parity Bonds shall have the right to approve any amendment to any resolution authorizing the issuance of Parity Bonds, which may be deemed necessary or desirable by the Issuer, provided, however, that nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions in said resolutions or in the Parity Bonds so as to:

- (1) Make any change in the maturity of the outstanding Parity Bonds;
- (2) Reduce the rate of interest borne by any of the outstanding Parity Bonds;
- (3) Reduce the amount of the principal payable on the outstanding Parity Bonds;

- (4) Modify the terms of payment of principal of or interest on the outstanding Parity Bonds, or impose any conditions with respect to such payment;
- (5) Affect the rights of the holders of less than all of the Parity Bonds then outstanding;
- (6) Change the minimum percentage of the principal amount of Parity Bonds necessary for consent to such amendment.

(b) If at any time the Issuer shall desire to amend a resolution under this Section, the Issuer shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in the City of New York, New York, or in the City of Austin, Texas, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of each Paying Agent/Registrar for the Parity Bonds for inspection by all owners of Parity Bonds. Such publication is not required, however, if notice in writing is given to each owner of Parity Bonds.

(c) Whenever at any time not less than thirty days, and within one year, from the date of the first publication of notice or other service of written notice the Issuer shall receive an instrument or instruments executed by the owners of at least 51% in aggregate principal amount of all Parity Bonds then outstanding, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file as aforesaid, the Issuer may adopt the amendatory resolution in substantially the same form.

(d) Upon the adoption of any amendatory resolution pursuant to the provisions of this Section, the resolution being amended shall be deemed to be amended in accordance with the amendatory resolution, and the respective rights, duties, and obligations of the Issuer and all the holders or owners of the then outstanding Parity Bonds and all future Parity Bonds shall thereafter be determined, exercised, and enforced hereunder, subject in all respects to such amendment.

(e) Any consent given by the owner of a Parity Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication of the notice provided for in this Section, and shall be conclusive and binding upon all future owners of the same Parity Bond during such period. Such consent may be revoked at any time after six months from the date of the first publication of such notice by the owner who gave such consent, or by a successor in title, by filing notice thereof with each Paying Agent/Registrar for the Parity Bonds, and the Issuer, but such revocation shall not be effective if the owners of 51% in aggregate principal amount of the then outstanding Parity Bonds as in this Section defined have, prior to the attempted revocation, consented to and approved the amendment.

(f) For the purpose of this Section, the ownership of all Parity Bonds shall be ascertained by the registration books pertaining thereto kept by the Paying Agent/Registrar. The

Issuer may conclusively assume that such holding or ownership continues until written notice to the contrary is served upon the Issuer.

Section 24. DEFEASANCE OF BONDS. (a) The Initial Bond and each of the other Bonds and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") within the meaning of this Resolution, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption), or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Government Obligations which mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the Gross Revenues as provided in this Resolution, and such principal and interest shall be payable solely from such money or Government Obligations.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer also be invested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from such Government Obligations received by the Paying Agent/Registrar which is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer.

(c) The term "Government Obligations" as used in this Section shall mean (i) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, and (ii) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date the Board of Directors adopts or approves proceedings authorizing the issuance of refunding bonds or otherwise provide for the funding of an escrow to effect the defeasance of the Bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its equivalent.

(d) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Resolution.

Section 25. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.

(a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the registered owner applying for a replacement bond shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the registered owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Resolution equally and proportionately with any and all other Bonds duly issued under this Resolution.

(e) Authority for Issuing Replacement Bonds. In accordance with Chapter 1201, Texas Government Code, this Section of this Resolution shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 6(d) of this Resolution for Bonds issued in conversion and exchange for other Bonds.

Section 26. COVENANTS REGARDING TAX-EXEMPTION. The provisions of this Section 26 shall apply to the Bonds only if the Bonds are issued as tax-exempt obligations as designated in the Approval Certificate. (a) Covenants. The Issuer covenants to refrain from any action which would adversely affect, or to take such action to assure, the treatment of the Bonds

as obligations described in section 103 of the Internal Revenue Code of 1986 (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code, or if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Resolution or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds five percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of five percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or five percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is, directly or indirectly, used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action that would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the Bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the

meaning of section 1.148-1(b) of the Treasury Regulations, and

(c) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(9) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Compliance with Code. For purposes of the foregoing, the Issuer understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally-recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs its President, Executive Director, and the Assistant General Manager - Chief Financial Officer to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Issuer, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds. The Issuer covenants to comply with the covenants contained in this Section after defeasance of the Bonds.

(c) Rebate Fund. In order to facilitate compliance with the above covenant (a)(9), a "Rebate Fund" is hereby established by the Issuer for the sole benefit of the United States of

America, and such fund shall not be subject to the claim of any other person, including without limitation, the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(d) Written Procedures. Unless superseded by another action of the Issuer to ensure compliance with the covenants contained herein regarding private business use, remedial actions, arbitrage and rebate, the Issuer hereby adopts and establishes the instructions attached hereto as Exhibit A as their written procedures applicable to Bonds issued pursuant to the Contract.

Section 27. DISPOSITION OF PROJECT. If the Bonds are issued on a tax-exempt basis, the Issuer covenants that the property financed or refinanced with proceeds of the Bonds (the "Project") will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless the Issuer obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 28. ALLOCATION OF, AND LIMITATION ON, EXPENDITURES FOR THE PROJECT. If the Bonds are issued on a tax-exempt basis, the Issuer covenants to account for the expenditure of sale proceeds and investment earnings to be used for the Project on its books and records by allocating proceeds to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed. The foregoing notwithstanding, the Issuer shall not expend sale proceeds or investment earnings thereon more than 60 days after the later of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired, unless the Issuer obtains an opinion of nationally-recognized bond counsel that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 29. INTEREST EARNINGS ON BOND PROCEEDS. Interest earnings derived from the investment of proceeds from the sale of the Initial Bond shall be used along with other proceeds for the improvement and extension of the Project, provided that after completion of the Project, if any of such interest earnings remain on hand such interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided, however, that any interest earnings on Initial Bond proceeds which are required to be rebated to the United States of America pursuant to this Resolution to prevent the Bonds from being "arbitrage bonds" within the meaning of the Code shall be so rebated and not considered as interest earnings for the purposes of this Section.

Section 30. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION, CUSIP NUMBERS, AND PREAMBLE. The President of the Board

and any Authorized Officer is hereby authorized to have control of the Initial Bond issued hereunder and all necessary records and proceedings pertaining to the Initial Bond pending its delivery and its investigation, examination, and approval by the Attorney General of the State of Texas, and its registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Initial Bond said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate on or attached to the Initial Bond, and the seal of said Comptroller shall be impressed, or placed in facsimile, on the Initial Bond. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers may, at the option of the Issuer, be printed on the Initial Bond or on any Bond issued and delivered in conversion of and exchange or replacement of any Bond, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. The preamble to this Resolution is hereby adopted and made a part hereof for all purposes.

Section 31. SALE OF BONDS; PURCHASE AGREEMENT. Pursuant to the authorizations in Section 3 hereof, as approved by an Authorized Officer, the Bonds may be sold either pursuant to the taking of bids therefor or pursuant to a purchase agreement (the "Purchase Agreement") with a purchaser or purchasers (collectively, the "Purchaser") to be approved by an Authorized Officer, and any supplements thereto which may be necessary to accomplish the issuance of Bonds. Such Purchase Agreement is hereby authorized to be dated, executed and delivered on behalf of the Issuer by an Authorized Officer, with such changes therein as shall be approved by an Authorized Officer, the execution thereof by an Authorized Officer to constitute evidence of such approval. The delegation of authority to an Authorized Officer to approve the final terms of the Bonds as set forth in this Resolution is, and the decisions made by an Authorized Officer pursuant to such delegated authority will be, in the best interests of the Issuer, and an Authorized Officer is authorized to make a finding to such effect in the Approval Certificate.

Section 32. OFFICIAL STATEMENT. A Preliminary Official Statement relating to the Bonds is hereby authorized to be approved by an Authorized Officer distributed to prospective investors and other interested parties in connection with an underwriting and sale of the Bonds, with such changes therein as shall be approved by an Authorized Officer, including such changes as are necessary for distribution as a final Official Statement. It is further officially found, determined, and declared that the statements and representations contained in said Preliminary Official Statement are true and correct in all material respects. The use and distribution by the Purchaser of the Official Statement relating to the Bonds, is hereby approved. For the purpose of review by the Purchaser prior to purchasing the Bonds, the Issuer deems said Preliminary Official Statement to have been "final as of its date" within the meaning of Securities and Exchange Commission Rule 15c2-12.

Section 33. DTC REGISTRATION. The Bonds initially issued in exchange and substitution for the Initial Bond shall be issued and delivered in such manner that no physical distribution of the Bonds will be made to the public, and the Depository Trust Company ("DTC"), New York, New York, initially will act as depository for the Bonds. DTC has represented that it is a limited purpose trust company incorporated under the laws of the State of

New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered under Section 17A of the federal Securities Exchange Act of 1934, as amended, and the Issuer accepts, but in no way verifies, such representations. The Initial Bond authorized by this Resolution shall be delivered to and registered in the name of the Purchaser. However, it is a condition of delivery and sale that the Purchaser, immediately after such delivery, shall cause the Paying Agent/Registrar, as provided for in this Resolution, to cancel said Initial Bond and deliver in exchange therefor a substitute Bond for each maturity of the Initial Bond, as provided for in this Resolution, with each such substitute Bond to be registered in the name of CEDE & CO., the nominee of DTC, and it shall be the duty of the Paying Agent/Registrar to take such action. It is expected that DTC will hold the Bonds on behalf of the Purchaser and/or the DTC Participants, as defined and described in the Official Statement referred to and approved in Section 32 hereof (the "DTC Participants"). So long as each Bond is registered in the name of CEDE & CO., the Paying Agent/Registrar shall treat and deal with DTC in all respects the same as if it were the actual and beneficial owner thereof. It is expected that DTC will maintain a book entry system which will identify beneficial ownership of the Bonds by DTC Participants in integral amounts of \$5,000, with transfers of ownership being effected on the records of DTC and the DTC Participants pursuant to rules and regulations established by them, and that the substitute Bonds initially deposited with DTC shall be immobilized and not be further exchanged for substitute Bonds except as hereinafter provided. The Issuer is not responsible or liable for any functions of DTC, will not be responsible for paying any fees or charges with respect to its services, will not be responsible or liable for maintaining, supervising, or reviewing the records of DTC or the DTC Participants, or protecting any interests or rights of the beneficial owners of the Bonds. It shall be the duty of the Purchaser and the DTC Participants to make all arrangements with DTC to establish this book-entry system, the beneficial ownership of the Bonds, and the method of paying the fees and charges of DTC. The Issuer does not represent, nor does it in any way covenant that the initial book-entry system established with DTC will be maintained in the future. The Issuer reserves the right and option at any time in the future, in its sole discretion, to terminate the DTC (CEDE & CO.) book-entry only registration requirement described above, and to permit the Bonds to be registered in the name of any owner. If the Issuer exercises its right and option to terminate such requirement, it shall give written notice of such termination to the Paying Agent/Registrar and to DTC, and thereafter the Paying Agent/Registrar shall, upon presentation and proper request, register any Bond in any name as provided for in this Resolution. Notwithstanding the initial establishment of the foregoing book-entry system with DTC, if for any reason any of the originally delivered substitute Bonds is duly filed with the Paying Agent/Registrar with proper request for transfer and substitution, as provided for in this Resolution, substitute Bonds will be duly delivered as provided in this Resolution, and there will be no assurance or representation that any book-entry system will be maintained for such Bonds.

Section 34. FURTHER PROCEDURES. (d) Definitions.

As used in this Section, the following terms have the meanings ascribed to such terms below:

"MSRB" means the Municipal Securities Rulemaking Board.

"Rule" means SEC Rule 15c2-12, as amended from time to time.

"SEC" means the United States Securities and Exchange Commission and any successor to its duties.

"*Significant Obligated Person*" means, at any point in time, any Contracting Party, Additional Contracting Party, or other party contracting with the Issuer, in any case whose payments to the Issuer for the use of or service from the System in the calendar year preceding any such determination, exceeded 10% of the Gross Revenues of the System.

Section 36. REFUNDING OF REFUNDED BONDS; DEPOSIT AGREEMENT. Concurrently with the delivery of the Initial Bond the Issuer shall cause to be deposited an amount from the proceeds from the sale of the Initial Bond and other available sources, if any, the transfer of which is hereby authorized, with The Bank of New York Mellon Trust Company, National Association, Dallas, Texas (the legal successor to all paying agent/registrars and other corporate trust functions of The Bank of New York Trust Company, National Association), as bank (the "Bank"), sufficient to provide for the refunding of all of the Refunded Bonds, as defined and described in the preamble to this Resolution, in accordance with Chapter 1207, Texas Government Code, as amended. The President and the Secretary of the Board of Directors of the Issuer are hereby authorized, for and on behalf of the Issuer, to execute a Deposit Agreement in substantially the form set forth in Exhibit B hereto, to accomplish such purpose. In addition, an Authorized Officer is authorized to transfer and deposit such cash from available funds (including surplus funds in the Interest and Redemption Fund and/or the Reserve Fund), as may be necessary for the Escrow Fund described in such Deposit Agreement. If, prior to the delivery of the Initial Bond, another entity should become the legal successor to the corporate trust and paying agent/registrars functions of The Bank of New York Mellon Trust Company, National Association, the President and Secretary are authorized to execute such appropriate Deposit Agreement with such successor Bank. It is hereby found and determined that the refunding of the Refunded Bonds is advisable and necessary in order to restructure the principal and interest requirements of the Issuer, and that the issuance of the Bonds will result in a reduction in the amount of principal and interest which otherwise would be payable from the Gross Revenues with respect to the Refunded Bonds, both on an actual and a present value basis.

Section 37. REDEMPTION OF REFUNDED BONDS. (a) The Refunded Bonds shall be paid upon the earlier of their stated maturity dates or the earliest redemption dates for which notice of redemption can be given pursuant to the Master Resolution, in each case at a price of par plus accrued interest to the date of payment. (b) In addition, the paying agent/registrars for the Refunded Bonds is hereby directed to provide the appropriate notices of redemption and defeasance as specified by the Master Resolution and is hereby directed to make appropriate arrangements so that the Refunded Bonds may be redeemed on their respective redemption dates. The Refunded Bonds shall be presented for redemption at the paying agent/registrars therefore, and shall not bear interest after the date fixed for redemption.

Section 38. ATTORNEY GENERAL FEES. The Issuer hereby authorizes and directs payment, from legally available funds of the Issuer, of the nonrefundable examination fee of the Attorney General of the State of Texas required by Section 1202.004, Texas Government Code, as amended.

Section 39. REPEAL OF CONFLICTING RESOLUTIONS. All resolutions and all parts of any resolutions which are in conflict or inconsistent with this Resolution are hereby repealed and shall be of no further force or effect to the extent of such conflict or inconsistency.

Section 40. SECURITY INTEREST. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the Gross Revenues granted by the Issuer under Section 9 of this Resolution, and is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the Gross Revenues granted by the Issuer under Section 9 of this Resolution is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Section 41. ATTORNEY GENERAL FEES. The Issuer hereby authorizes and directs payment, from legally available funds of the Issuer, of the nonrefundable examination fee of the Attorney General of the State of Texas required by Section 1202.004, Texas Government Code, as amended.

Section 42. EFFECTIVENESS. This Resolution shall be effective from as of March 1, 2026; provided, however, if the Bonds authorized by this Resolution are not issued prior to March 1, 2027, this Resolution shall be void ab initio and shall be of no force and effect.
